MSc ISFM - Expression of Interest - Academic year 2018-2019

The application period for the MSc in International Shipping, Finance and Management for the next academic year (2018-2019) is expected to start immediately after completion of the legal reform of all postgraduate programs of the Greek Public Universities.

Interested applicants can now submit on line, an “Expression of Interest”*: 

You don’t need to upload any documents at this stage. 
No application fee is required at this stage.

In a later stage, you need to submit a formal application and the below documents have to be submitted electronically:

- Copy of all university degrees/diplomas received
- Official transcripts of grades in Greek or English
- English language certification verifying advanced or excellent command of the language
- Two recommendation letters
- Proofs of employment (if available)
- CV in English

In case of a foreign University degree the applicant must secure recognition from the National Academic Recognition Information Center.
Check on DOATAP’s University list whether your degree is subject to recognition at first place.

Starting Date: June 25th, 2018

*Submission and/or evaluation of the “Expression of Interest” are not binding and do not constitute any obligations to the interestees, nor to the University. “Expression of Interest” can be converted into a formal application, only after the reform is completed and published in the Official Government Gazette (FEK).
